

SparkCare Warranty Management

SeedSpark's SparkCare Warranty Management program provides hassle-free access to the manufacturer's warranty for all equipment purchased from SeedSpark. In almost all instances, SparkCare provides loaner equipment to keep your staff productive while their equipment is being repaired. SparkCare saves you time, money, and peace of mind at a very reasonable price – **Free**.

Benefits

- No charge for additional diagnostic labor
- No unintelligible telephone conversations with service call centers
- No over-the-phone instructions for troubleshooting
- No return visits to the location where the equipment was purchased
- No standing in line
- No charge for coordinating on-site service calls or returns to the equipment service center, just the cost of shipping and insurance
